WASM Litter Grants

The NSW Government has opened the Waste and Sustainable Materials Strategy 2041 Litter Prevention Grants Program, with up to \$10 million available. You need to read the following guidelines when applying for funding:

[WASM EPA Litter Prevention Grants Program Guidelines](#)

All projects must make a contribution to reducing litter in NSW towards the new state targets

- reducing all litter by 60% by 2030 and
- plastic litter by 30% by 2025

As part of the Expression of Interest process, applicants will be guided and supported by the NSW EPA including;

- Links to webinar material which explains the various streams
- Initial meeting (Teams) to discuss this EOI
- Follow up consultation to refine grant application and project vision.

Note: For Stream 2 and 3 the follow up consultation will be based on the Own it and Act Framework and Status Check.

Summary

Please select which stream you intend to apply for and provide a short overview of your proposed litter grant initiative.

The purpose of this **Expression of Interest** is to provide potential grantees with an opportunity to engage with the NSW EPA prior to completing an application. This meeting will cover:

- (a) Ensuring you are applying for the appropriate Stream for your organisation.
- (b) Briefly discussing your proposed project and clarifying elements within the grant guidelines.

Please note the Litter Prevention Unit will be conducting a webinar that will cover the key elements of Streams under the Waste and Sustainable Materials Strategy Litter Prevention Grants Program. Expressions of interest should therefore be project specific, to make the best use of time.
